Building Healthy Church Culture with Rev. Shaun Marshall,

Culture happens whether you intend it or not." This workshop will help church leaders understand not only the community culture that a congregation is in, but the culture of a local congregation. We will explore the question, "What kind of environment needs to be present for God to do the new thing God is calling you to do in your community?"

7 Systems of a Healthy Church with Rev. Alex Rahill,

This workshop focuses on the systems that make up a healthy missional church that promotes a discipleship process. Seven areas will be explored: engaging community, planning worship services, connecting people, small groups, training and equipping people for ministry, developing a generous culture of giving, and developing leaders.

Speakers: Rev. Alex Rahill and Rev. Shaun Marshall
