FAQs

Can we go through this as a group or family?

Yes! We strongly recommend that youth pastors and/or families gather in person, join the Zoom call, and then discuss after.

What about Seniors who do not plan to go to college?

Everyone is welcome, but the focus will be on the transition to college.

Do you have to join InterVarsity if you attend this?

No, students are welcome to join any church and campus ministry in college. We will gladly help connect them to an InterVarsity mentor if they fill out an interest card during the meeting.

Do we have a partnership with InterVarsity?

Yes we do! InterVarsity and the Evangelical Covenant Church have embarked on a pilot project to bridge the gap between high school faith and college discipleship. We are using best practices in equipping students as courageous witnesses. The pilot project is off to a great start, and we hope to offer it more widely afterward.
